STREET IN A CUBAN VILLAGE.

LL2288

POST CARD

CARTE POSTALE. POSTKARTE

By Appointment.

Street in a Cuban Village. Many of the streets in the villages are but rain-furrowed lanes, filled with large projecting stones. The houses or huts are small and put together with poles and palm leaves thatched sufficiently to keep out the rain, and many have no flooring other than the red earth. While picturesque and quaint, they are not comfortable.

(FOR ADDRESS ONLY.)
